FAQ's

Do you offer tastings?

Absolutely! These run from October to April, Tuesday to Thursday - and we come to cook at your house. The exception to this is that if you book your wedding for the same year, we will do our best to fit you in around our events. We usually run our menu tastings after an event is booked, but for large weddings we have run a menu tasting before the reservation was confirmed - we are delighted to confirm that every single couple confirmed us the very same night!.. The menu tasting for two is complimentary for parties over £6k, for everyone else the cost is £50pp. Terms apply.

When do you need a deposit by?

All dates stay open until we receive a 30% non-refundable deposit based on estimated numbers and courses. Once this is paid, we will confirm and reserve the date for you. This deposit will be deducted from the final invoice. We will take a further 50% deposit three months before the event and the balance of 20% a month before.

What is the cancellation policy?

As written within our terms and conditions, in the unfortunate event of a booking having to be cancelled, confirmation in writing will be needed and your deposit will be retained. Please be advised that these are terms that we observe very strictly. Events cancelled within six months of the confirmed date will be charged at 75% of the estimated invoice total. Cancellations within three months will be charged the full 100% invoice total.

Reduction in party size:

Luca's Events will allow a maximum 10% reduction in size of the party without charge; as such the minimum guaranteed number of guests charged will be at least 90% of the initial size of the party. The deadline for any reduction in party size will be one month before the event - sent in writing, after that full payment will be taken for the initial number of guests. Please be advised that these are terms that we observe very strictly. As such, it is advisable to book the event for a realistic number of guests, taking into consideration potential drop-outs.

FAQ's

How much time do we need before service?

We will arrive between three & four hours prior to the first course being served, depending on the wedding size. This gives us plenty of time to set up, including all plates and cutlery.

What do we provide?

We provide high quality white linen, all crockery, cutlery, water bottles, sharing bowls, salt & pepper cruets and serving utensils.

How much space do we need on the tables?

Our food can be served sharing style or on individual plates, so the space needed depends on the service style you choose.

Can you cut and serve the cake for us?

Absolutely! However, this will need to happen right after the end of our service, that way we reduce the amount of time for which our staff will be on site after we serve the last course.

How do we know who ordered what?

Most times guests forget what they ordered, as such it is always best practice to write on the back of the placecards the initials of the dishes they ordered. This is particularly important in cases of specific dietary requirements.

FAQ's

Is the menu flexible?

Our menu is as flexible as you like! Our entire focus is on giving you a fantastic wedding day experience as such if we need to replace ingredients, whole dishes or even work with your ideas, we'll certainly do so! No two weddings are the same, so we are very used to curating bespoke menus for various couples. It's all about you!

Does it matter when we do our speeches?

To ensure the best quality of food, we would ask very kindly that you refrain from any speeches just before the main course. Also, doing speeches after/before every course tends to extend the duration of service, which might incur additional staffing charges.

How much staff do you use? What is the cost to it?

We usually staff at a ratio of 1 staff to 12 guests, however, we will always quote individually for each event, as this depends very much on the menu offered and special requirements. We usually charge on average £130 - £180 (inclusive of tax) for each staff member, but this can differ - sometimes less and other times more - from event to event, mostly depending on distance, party size and specific requirements. Selected venues include staff cost.
