LET US INTRODUCE *ourselves*

We are on a mission to create beautiful wedding food using locally sourced ingredients & fresh quality produce. We are extremely passionate about producing impeccable food with no restrictions, no shortcuts, and no compromise.

Epic Caterers was founded back in 2015, known widely across the catering scene as Cleverchefs, with a vision to bring a new lease of life to the wedding industry. Our passion is to provide luxury restaurant quality to each dish for any number of guests in any location.

Scroll forward to 2022, when we wanted to give our couples and anyone experiencing our food a name to remember, to continue a fresh new concept for the brand.

Voila, Epic Caterers was born.

Planning a wedding can be challenging at times. We at Epic Caterers want to ensure that the service we provide from the moment you enquire to the end of your wedding day is exciting, fun, and delicious.

Our motto: Perfection Comes as Standard is the exact reason we are where we are. Let us do everything we can to make that statement a reality.

We at Epic Caterers have won a vast amount of industry known awards to prove to you, our exceptional food & attention to detail.

DON'T JUST TAKE OUR WORD FOR IT...

"HOW CAN YOU PACK SO MUCH FLAVOUR INTO SUCH A SMALL THING?"

"We just wanted to thank you & the team so much for everything you did on our wedding day. The food tasted absolutely incredible - our highlight was the canapés - how do you pack so much flavour into such a small thing?! We had a lot of people compliment the food & how well organised the day ran. All of your staff were so professional throughout the day & we want to thank you for helping make the evening run as smoothly as possible. It was a pleasure to have you guys cater for us on our special day! Thank you again."

Fern & George

"EPIC SHOULD BE TOP OF YOUR LIST FOR CATERING"

"Our Wedding was perfect and the food was such a big part of that for us. We had so many compliments on the outstanding menu and the whole team were exceptional. Wherever your event, EPIC should be top of your list for catering. They went above and beyond - were attentive, helpful, professional (yet fun) & dedicated. We can't thank the team enough for all they did, and for ensuring the whole day ran smoother (and more calmly) than we thought possible."

Rachel & Barbara

"THEY WILL NOT DISAPPOINT"

"EPIC Caterers recently catered our Wedding day & we were blown away by how perfect it was. We cannot thank all the team at EPIC Caterers enough for all that you have done for us. Everyone we have had dealings with have been brilliant & really gone above & beyond to make sure everything was brilliant. All our guests have commented on the food & it was beautiful! The quality & value for money was exceptional & the service throughout & how accommodating you have all been has been outstanding! We cannot recommend EPIC Caterers enough & will definitely be using them again! They will not disappoint! We are so pleased with everything the team have done & wish you all every success!"

Jordan & Craig

"BOOK THEM NOW"

"From the moment we initially contacted EPIC 2 years ago, up until our wedding day they were just incredible. Our wedding guests are still talking about the food & we can't blame them. If you're considering using them for your wedding - BOOK THEM NOW. They couldn't do more to help, the food was just divine and ended up being more reasonably priced than the venues in house catering team, which you might expect to be cheaper than an outside caterer. Thank you for being EPIC. Such an appropriate business name change."
