

ST TEUDRICS HOUSE

EVERYTHING YOU LOVE

# Welcome

ST TEWDRICS HOUSE

A wedding is everything. It's everyone you love, all in one place — for more than just a day. It's about every fine detail and every moment shared, the moments that come before and the moments that come after. Every old friend and every new friend. Every cheesy song. Every speech. Every guest you didn't think would make it. Every cocktail. Every canape. Every moment.

St Tewdrics House.  
Everything you *love*.

“

When Geraint proposed to me in 2013, I knew in my heart exactly what I wanted our wedding day to be. But after searching far and wide for the perfect place to say, 'I do', we came to realise that our dream venue didn't exist

So, we took the brave step to create that place for ourselves...

Inspired by 19th-century Italianate grandeur, charm, and natural beauty, the venue we created felt like home, the perfect place to surround ourselves with everyone and everything we loved on our perfect day.

We realised we needed to share our dream with other couples searching for their perfect venue, and St Tewdrics House was born. Because for us, a wedding is about celebrating togetherness and creating experiences that last longer than just a day, they last a lifetime. It's in every detail, in every moment. In everything you love.

We are honoured to share  
St Tewdrics House with you.

With love,

Sara Thomas Geraint Thomas

# your day

A full-page photograph of a bride and groom in a field of white flowers. The bride is wearing a white lace wedding dress and a veil, holding a large bouquet of white and yellow roses. The groom is wearing a green tweed suit with a white shirt and a dark red bow tie. They are both smiling and looking at each other. The field is filled with tall white flowers, possibly daisies, and the background is a soft-focus landscape.
